

Model: ST-811

DESCRIPTION:

Ground mount type, designed for outdoor installation

Extruded aluminium body and acrylic as it's diffuser

Available in various finished: black, grey,etc

TECHNICAL CHARACTERISTICS:

IP Protection: IP54

IK Protection: IK08

Safety Class: Class I

Voltage/Frequency: 85-265V,50/60 Hz

Working Temperature: -35°C ~ +65°C

LED SPECIFICATIONS:

LEDs: SMD, 12W

Color Temperature: 3000K/4000K/6000K

Lumen: 960lm

DIMENSION:

Diameter: 155mm Height: 300/600/800mm

Application

MATERIALS/FINISHES:

Structure Material: Die-casting aluminium

Diffuser Material: Acrylic

Structure Finish: Die-cast Black, Grey
