

Model: ST-636(L)

DESCRIPTION:

Wall mount type, designed for outdoor installation
 Extruded aluminium body and acrylic as it's diffuser
 Available in various finished: black, white, grey,etc

TECHNICAL CHARACTERISTICS:

IP Protection: IP54
 IK Protection: IK08
 Safety Class: Class I
 Voltage/Frequency: 85-265V,50/60 Hz
 Working Temperature: -35°C ~ +65°C

LED SPECIFICATIONS:

LEDs: 18W
 Color Temperature: 3000K/4000K/6000K
 Lumen: 1440lm

DIMENSION:

Diameter: 220mm Height: 54mm

MATERIALS/FINISHES:

Structure Material: Die-casting aluminium Diffuser Material: Acrylic
 Structure Finish: Die-cast Black, White, Grey
